Winter Parking

Village residents are reminded that winter parking regulations went into effect at midnight (12am) on November 15th and will continue through March 15th. No parking on any street or highway in the Village between 3am and 6am.

Residents are also reminded to make arrangements to keep sidewalks abutting your property free of snow and ice this winter. Failure to abide by the ordinance may result in a citation and an additional charge if the Public Works crew has to clear the walkway.

Village residents are asked to please place garbage and recycling carts **behind** the curb for collection or on each side of the driveway, especially in winter. Proper snow removal is difficult when this practice is not followed. Thank you for your cooperation.

Get your license each year by March 31st to avoid a late fee and a possible citation!
